

- *Participation*: In addition to the three kinds of written assignments, you are expected to show up on time to class and actively participate in class activities and discussion (during the lecture sessions), and the same goes for your discussion sections.

Your grade will be calculated as follows:

- 24% from *theory write-ups* (8% each)
- 40% from *paper* (15% for first stage, 25% for second stage)
- 24% for *final exam*
- 12% for *participation*

Course Policies:

Technology use: No laptop or cell phone use will be permitted during lecture sessions (on pain of having your participation grade lowered), except during designated breaks. Nearly all of the readings will be available in the course reader or in the required texts; the other readings should be downloaded and printed before class. (Exceptions will be made when possible when there is an accommodation request processed through the OAE – see below.)

Academic Integrity: You are expected to adhere to the standards for academic integrity found here: <https://communitystandards.stanford.edu/student-conduct-process/honor-code-and-fundamental-standard>.

Students with Documented Disabilities: Students who may need an academic accommodation based on the impact of a disability must initiate the request with the Office of Accessible Education (OAE). Professional staff will evaluate the request with required documentation, recommend reasonable accommodations, and prepare an Accommodation Letter for faculty dated in the current quarter in which the request is being made. Students should contact the OAE as soon as possible since timely notice is needed to coordinate accommodations. The OAE is located at 563 Salvatierra Walk (phone: 723-1066, URL: <http://oea.stanford.edu>).
